Introduction

CA Brand has been an active member in the construction industry for more than 35 years and is held in high esteem by its many high-profile clients. We are a medium-sized civil and building company that has the technical and project management skills necessary to take on a variety of projects.

The schedule of major work carried out (refer to pages 8-13), will indicate the nature, diversity and varying size of projects undertaken and the clients for whom we work.

The CA Brand Group is active in the following construction disciplines:

○ **Civil Engineering**

All types of concrete structures such as water purification plants, reservoirs, silos, bridges, machine bases and the like.

○ **Commercial building**

Factories, Warehouses, Parking Garages, Offices, Hotels and other commercial or industrial structures.

○ **Residential**

Sectional title town apartments and cluster housing on a turnkey basis.

○ **Services**

Sewers, storm water and water reticulation.

○ **Turnkey**

We also offer a full turnkey service i.e. design, construct and Project Management.

○ **Industrial Acid Proofing**

Specialised corrosion resistance and surface protection.

CA Brand looks forward to providing you with the same personal attention and quality construction enjoyed by our present clients.

MISSION

What? Construction building service

To Whom? Industrial and commercial concerns

How? By invitation to tender or referrals

Based on? Competitive price, quality and reputation and timely completion.

VISION

To achieve controlled growth while maintaining stability and to have a clear vision as to where we are in the market place.

To create a pleasant work environment and personal satisfaction through teamwork that can be enjoyed by the company and its clients.

Particulars

CA Brand Civil Engineering Company (Pty) Ltd
